The following were present: Trustees, David Bachelor, John Butterfield, Paul Insley; Clerk, Eleanor Bierly; Road Supt. Harold Chandler; Police Chief, Robert Hale, Fire Chief, Ray Wilson; Guests, Sandy Slough and Joann Wisemann, residents on Community Park.

The Pledge of Allegiance was repeated by all present.

Mrs. Slough and Mrs. Wisemann were present to talk to the Trustees about the recent annexation of Jewett Drive to the City of Columbus, total of 1.13 acres. The following were present: Trustees, David Bachelor, John Butterfield, Paul Insley; Police Lt. Don Ridgeway, Fire Capt. Dan Overstreet; Road Foreman, Tom Kayati; Guests, Susan Brown, 145 Kanawha, Debbie Dodd, 135 Kanawha, and Pat Alexander, 181 Park Road, Mr. & Mrs. Alburn Salyers, 1240 Jewett Dr.

Minutes of the June 17, 1987 meeting were read and approved.

Susan Brown and Debbie Dodd were present to complain about conditions on Kanawha Ave. They want new curbs and gutters plus paving. The Trustees explained that Federal revenue Sharing and Block Grant money has been eliminated. Mr. Butterfield will write them a letter more fully explaining the present lack of funds for improvements and stating that the Trustees will continually seek other income avenues.

Mr. & Mrs. Salyers were present to ask about the status of the problem with a fence in the right-of-way (see minutes of 6-17-87). No reply has been received to date from Mr. Joe Gatto of the Franklin County Engineers Office. Mr. Butterfield will inform all parties involved when he has further information.

Pat Alexander was present to talk to the Trustees about a problem with drainage along Friend Street. Mr. Butterfield will write a letter to Mr. & Mrs. Robert Borean, 850 Notchbrook Dr. Delaware, owners of the Friend St. property and advise them to install a 12" concrete or steel pipe under their driveway to restore the normal flow of water. Mr. Butterfield will also write to Mrs. Alexander concerning her protest of a proposed pizza place and carry out by Jack Lane. A hearing on same is scheduled for 7-20-87 and a township representative will attend.

The Trustees questioned Mr. Kayati about why road patching isn't being done. He stated that too many employees have been on vacation but he hopes to begin patching next week. Mr. Kayati reported that slurry seal in Worthington Hills has been started.

Bituminous Paving Systems, Inc. has undermeasured Clubview (bid accepted 5-20-87). An additional 3940 sq. yds. is needed at a cost of \$4800 to be billed separately. Mr. Bachelor moved to pay the additional amount, seconded by Mr. Insley. All voted "Aye".

The Trustees discussed a request by Mr. & Mrs. Robert Augsburgers, 36 Westview Ave. to remove a tree from the right-of-way to accomodate a new driveway. The Trustees do not feel it is their responsibility to remove trees. Mr. Butterfield will write a letter to the Augsburgers stating same and will also update them on his correspondence with Mr. Ray Riska, Construction Manager for McDonald's Corporation (see minutes of 6-17-87).

A letter was received 7-1-87 from Cele Rix, 444 W. Kanawha regarding her 6-17-87 request to have weeds cut on two vacant lots on W. Kanawha. In her letter, Ms. Rix states that the weeds have been cut but not cleared away. Mr. Butterfield will respond by letter to Ms. Rix that the township is responsible for cutting weeds only, not for clearing of trash, tree limbs, etc.

A copy of a letter has been received from Attorney Edward Bray to M&I Schottenstein, Inc. dated 6-17-87. Mr. Bray represents Vincent Susi, a resident of Flint Village. Mr. Susi is encountering problems as a result of construction. His well is drying up and surface water is unable to drain away. No action taken at this time. Letter placed on file.

Building Permits have been issued to the following:

Larry Patterson	750 Maple Dr.	For replacement of foundation
Charlene Hampton	5454 Briarbank Dr.	Fire damage repair
Mr. & Mrs. Holmberg	847 Colony Way	Room addition

The Police Department has in the past had an interest in a drug program called "Youth to Youth" for high school students. Representatives from this group have spoken in monthly police meetings. This group has requested the township to sponsor two students to go to a conference at Dennison University from 7-19 to 7-23-87 at a cost of \$295.00. The Trustees do not feel that they can honor this request at this time as there are questions about the legality of using tax dollars this way. Mr. Butterfield will check into this further for such requests in the future.

Capt. Overstreet has requested to employ Steve Martin as a volunteer firefighter. The Trustees questioned the driving record of Mr. Martin. Mr. Bachelor moved to approve the request, seconded by Mr. Insley, pay will be \$3.35 per hour. All voted "Aye".

It was reported that Firefighters Ron Slane and Gary Hall are eligible for longevity pay. Mr. Insley moved to grant \$1500 to Ron Slane and \$1100 to Gary Hall, seconded by Mr. Bachelor. All voted "Aye".
