RESOLUTION #79018

Mr. Loomis introduced the following Resolution, seconded by Mr. Insley.

Whereas, the Mid-Ohio Regional Planning Commission Housing and Community Development (HUD) Forum has granted \$33,000.00 to Sharon Township for improvement of the disintegrated curbs and gutters on Kanawha Avenue and Rosslyn Avenue, and

Whereas, this project has been temporarily shelved to accomplish more urgently needed service, and

Whereas, an unappropriated amount of \$13,000.00 of the 1979 Funds is still available,

Therefore, Sharon Township Trustees would like to apply for the available money to repair and cap as much of the original shelved project as possible with the remaining \$13,000.00.

All voted "Aye" thereon.

Sharon Township Trustees received a bid from Legg & Davis Construction Company for capping the curbs and gutters on Rosslyn and Kanawha Avenue for \$9.25 per lineal foot, which was more than the 10% that the Franklin County Engineers estimate of \$8.00 per lineal foot. The Mid Ohio Regional Planning Commission (HUD) Community Development Program stated that this bid could not be used because it was over the Engineers estimate. Therefore, at the advice of the Asst. County Prosecutor, Bill Shimp, the following resolution was passed.

RESOLUTION #79019

Mr. Loomis introduced the following Resolution, seconded by Mr. Insley.

Whereas the Ohio Revised Code 5575-03 states that Township Trustees are empowered to re-advertise for a lower bid, or raise the estimate to a more realistic figure, and reject all previous bids, and whereas the one bidder agreed to reduce his quote from \$9.25 to \$8.95.

Therefore, the Sharon Township Trustees resolved to raise the estimated cost of capping work on Rosslyn and Kanawha to \$9.00 per foot.

All voted "Aye" thereon.

Held Tuesday September 25, 1979

The following were present: Trustees Paul R. Insley, John D. Loomis, Supt. H. L. Chandler; Sec.-Treas. E. A. Bierly and Walnut Grove Cemetery Trustees; James Charlton and John Wilbur.

Supt. H. L. Chandler requested that a joint meeting with Walnut Grove Cemetery and Sharon Township Boards be held to discuss his respective duties with each department and labor problems therewith.

The Sharon Township Trustees stressed that all streets and drainage problems must be completed prior to the onset of cold weather. These needs necessitate that their three employees remain on the roads until all work is caught up.

Walnut Grove Cemetery Trustees stated that Supt. Chandler should hire more men if necessary to fulfill his responsibilities.

Pay Periods were discussed. Supt. H. L. Chandler is to give the clerk at least one day to figure the payroll and deductions. The payroll will be due on the first and sixteenth at Noon, or on the following Monday if it falls over the weekend.

Pay Periods; 1st through 15th due: 16th at NOON
16th through 30/31st : 1st at NOON

Both Walnut Grove Cemetery and Sharon Township Boards requested copies of the amount of time being spent on various duties.

The meeting was adjourned.

The following were present: Trustees, Paul R. Insley, John D. Loomis; Clerk, Eleanor A. Bierly, Road Supt. Harold L. Chandler; Asst. Fire Chief, A. Ray Wilson; Police Sgt. T. L. Huff.

Guests: William Minyard, 313 W. Kanawha; Jim Hammock, 5444 Olentangy Blvd.; James Foster, 422 W. Kanawha Ave.; Norman Mullins, 413 Rosslyn Ave.; Mr. McDaniel, 300 W. Kanawha Ave.

Minutes of the 9-5-1979 and 9-19-1979 meetings were read and approved.

The Financial Statement as of 10-1-1979 was presented.

The Revenue Sharing Semi-Annual Report was mailed 9-30-1979.

Mr. Jeff Hubbard from the City of Columbus called the clerk regarding water leakage at 430 Kanawaha Avenue. He reported that it is not city water, but is perhaps surface or well water.

Mrs. Slaughter of 314 Kanawha Ave. reported, through the Clerk's office, a hole in her lawn. Mrs. Slaughter hired a Mr. Cooper, 487 Schrock Rd., to put in a water line. He broke a tile in doing so and he stated to her that he had repaired it. It was repaired with a plastic Prestone Anti-Freeze bottle. She submitted four pictures to show the damage. The Trustees have requested in a letter that Mr. Cooper repair the tile properly.

Mr. Minyard, and four other residents from the Rosslyn & Kanawha area, were present to discuss the type of resurfacing to be used on their streets. Mr. Hammock felt there would be too much dust and tracking from the surface treatment. Mr. Foster requested an explanation of what Armor Coat is. It is a double surface of asphalt and stone chips. Mr. Mullins was concerned about the drain tile on the north side of Kanawha and the storm drains. Mr. McDaniel also objected to the dust and type of surface to be used.

The Road Crew is to take care of weeds at 315 Sharon and Clover Drive.

Mr. Cook, a resident on Hutchinson, called the Clerk's office requesting that no parking be allowed on one side of that street. He stated there is a traffic problem especially on the first curve from High Street.

The Clerk presented letters dated 9-14-1979, 9-17-1979, and 9-27-1979, from the Franklin County Board of Elections concerning the Sharon Township Proposed Tax Levy, Fire - Renewal & Increase, and the Local Option Election on Sunday Sale. Letters are on file.

Asst. Fire Chief, Ray Wilson, requested the purchase of two uniform shirts for each fireman. This would be 36 shirts at \$8.50 each, an estimated \$306.00. Mr. Loomis moved, seconded by Mr. Insley, that the shirts be purchased. All voted "Aye" thereon.

Mr. Wilson discussed the feasibility of a computer for Township use. A computer would be helpful in Fire and Emergency Runs, Street Mapping, Cemetery and Police Records, Payroll, etc.

Police Chief R. T. Hale presented the monthly report for September.

Chief Hale discussed the possibility of paying the full-time officers for the Comp. Time they have presently accumulated. In the future, Comp. Time accumulation will be limited and 40 hours was suggested. The Clerk will compile the time and report to the Trustees.

Pay while serving Jury Duty was discussed. Ruth Tabor, who works in the Clerk's office, recently served three weeks Jury Duty. She was paid \$7.50 per day by the court. This amount hardly covers parking, breaks, lunch, gas, and maintenance expenses. Mr. Loomis moved, seconded by Mr. Insley, that Mrs. Tabor be paid the regular hourly rate for the time she would have worked in the office.

The \$150,000.00 Huntington National Bank Certificate of Deposit, expires 10-5-1979. Mr. Insley moved, seconded by Mr. Loomis, to reinvest \$100,000.00 in a Certificate of Deposit, and \$50,000.00 be put in checking. All voted "Aye" thereon.

Mid-Ohio Regional Planning Commission has sent notice of a meeting of the Franklin County Planning Area Subcommittee on Friday, October 5, 1979. On the agenda is File #354, applicant Bic Agency, the Subdivision of Windsong.
